Moving to cloud servers has clear benefits, but depts. need to clearly discuss the transition plan and the risks

Vennie

People like working remotely in the long run, but they still want some in-person interaction and need to be reassured that they are not especially old employees

Nina

Weak management processes slow down communication

Eva

Training and Meetings are effective but records of meetings are not effectively shared among departments

Vennie

Many tech issues make remote working not as perfect as ADMI thought
